

Expressive clay portrait evaluation criteria

Realistic proportion and detail

The sculpted portrait shows the correct shapes and sizes of the face of a specific person. The person is clearly recognizable and is highly detailed.

Clay technique

The sculpture is well-crafted, with excellent skin and hair texture. As well, it is strong without being thick and heavy, and does not present a risk of breaking or exploding.

Emotional expression

A specific emotion is clearly expressed in the portrait, and this expression is clearly communicated across the whole of the face.
