

Skills planning and goal-setting ___/10 Name:

The self-portrait project will be marked according to several criteria:

- Composition (completeness and background)
- Shading technique (smoothness, contrast, blending, and relative value)
- Other drawing techniques (proportion and contour)
- Planning and goal-setting (this worksheet)

This is your first planning worksheet, you can discuss these questions with others in your class.

Proportion and detail

What qualities does excellent contour/detail and proportion have?

What do you need to do in order to improve the quality of contour/detail and proportion in your self-portrait?

Shading technique

What qualities does excellent shading have?

What do you need to do to improve the quality of shading in your artwork?

Composition

What makes for a complete and finished-looking project?

What will you do in order to improve the composition/overall completeness of your artwork?
