# Production Tech Layout Plan

Name: \_\_\_\_\_

Please carefully draw the layout of the parts of your project as you would on your wood, but including dimensions.

Lay out your cuts carefully so that you do not waste wood.

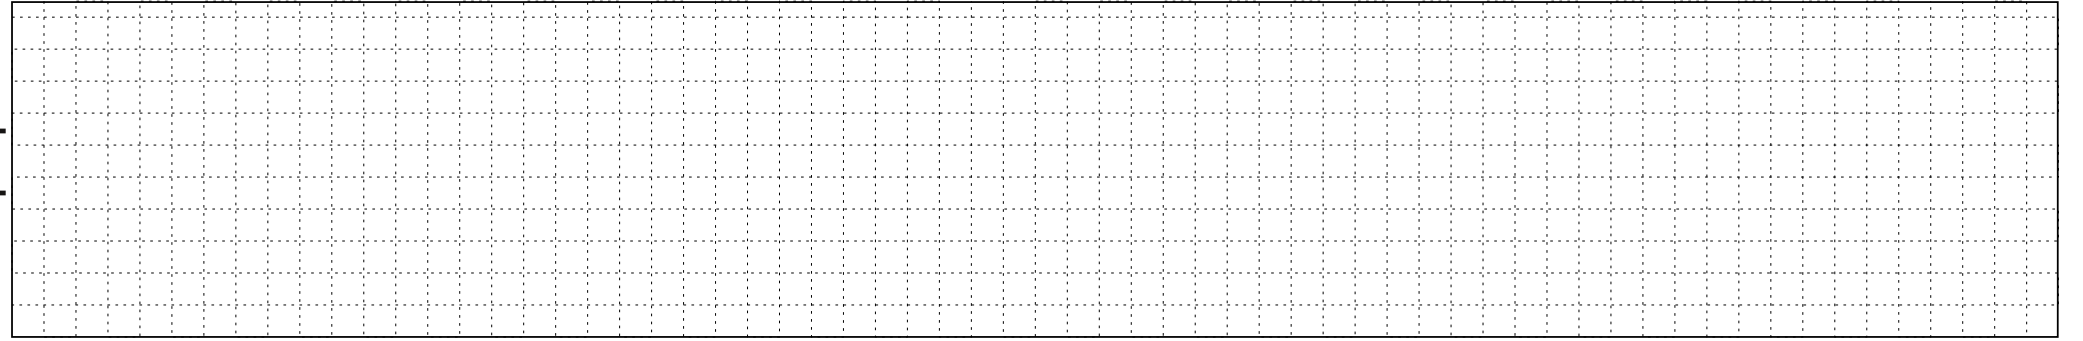

Remember that you cannot create a project that costs more than \$7.50, including EVERYTHING.

Score: \_\_\_/10

- \_\_\_/3      Clean, crisp, neat lines
- \_\_\_/3      Clear, complete, precise measurements
- \_\_\_/4      Accurate and fully drawn
