

Texture drawing goal-setting

____/10

At the **end of each class**, please take time to write your goal for the next class. Your artwork will be marked based on your **technical skills for the drawing materials you chose**, your ability to create **visual texture**, and how well you are creating a balanced, non-central **composition**. Keep these criteria in mind when choosing your goal.

Be specific: What parts of your drawing are you focusing on? What drawing skills do you need most to do this?

- **What** should be **improved** and **where:** *"Look for **more texture** in the **bark of the trees**"*
- **What** should be **improved** and **where:** *"I need to **darken the grey** of the **sky**"*
- **What** can be **added** and **where:** *"I should **add some texture** to the **rocks** in the front"*
- What you can do to **catch up:** *"I need to **take my drawing home** this weekend."*
