

Watercolour goal-setting

____/10

At the **end of each class**, please take time to write your goal for the next class. Your artwork will be marked based on your **technical drawing skills**, ability to **observe and paint realistically**, and how well you are creating a balanced, non-central composition with a **clear colour scheme**. Keep these criteria in mind when choosing your goal.

Be specific: What parts of your drawing are you focusing on? What drawing skills do you need most to do this?

- **What** should be **improved** and **where:** *"I should **darken** around **the flames**."*
- **What** should be **improved** and **where:** *"I need to make the **water** in the back **less bright**"*
- **What** can be **added** and **where:** *"Look at my photos to add **the shadows** in the **clouds**."*
- What you can do to **catch up:** *"I need to **bring a friend to work with me** at lunch tomorrow."*
